Total people in our data base 72

- 33 paid members
- 9 Associate members
- 30 additional on mailing list

Regards,

Dave Maguire, OCWT Treasurer

June Meeting: will be a Hybrid, those that wish to attend at Tom's shop should RSVP to him. Gary confirmed that Rudy Lopez is all set for the demo for the June 18th meeting. Tom will co-host the zoom meeting with Rudy. Tom has done more research on putting videos on YouTube. The consensus was they should be accessed from members only area of the web site.

We have a new member that is a recent high School graduate. We will be loaning him the small Jet lathe to use while he gets started.

July meeting, we have some videos to use that have not been shown. We would also like to put together some videos on dealing with cracks, defects, inclusions, whether it is with epoxy, CA glue or fillers.

The Symposium for 2023 is making progress, officers have been elected and committees are being formed. The cost is being raised to \$325 from the \$285 charged in 2019. So far, the 2 Portland clubs have not shown any interest in supporting the symposium.

Meeting Adjourned at 2:54 PM

Russ Williams  
OCW Secretary
