Wood Carving show at Chinook Winds Casino Jan 14th and 15th. The club will have a table there and need volunteers to help. Volunteers can bring a few items to sell at the table. The event is used to promote our club and attract new members. Tom and/or Dave will be doing a demo there.

The web page needs update to reflect our new meeting information.

Oregon Woodturning Symposium: the schedule of time and demonstrators is available on the web site. Volunteers will be needed for the room we are responsible for, which will feature Sally Ault and Keith Gotschall. Symposium costs are \$325 with lunch and banquet or \$160 with lunch for single day attendance.

Volunteers are needed at Tom's shop to refurbish and organize the tools that were donated to the club by former members.

The December meeting will be a hybrid with the President's challenge being an inside / out ornament. The best entry will get a chunk of maple burl wood. Members should bring any Christmas ornaments you have turned to show and discuss.
