Ralph will get all the food and he and Mrs. Breitenstein will cook/serve. Someone brought up a suggestion for a donation jar for offsetting lunch costs. We will have four tents, two for demos and one for info and food serving. David volunteered to pick up a pop up that the club will purchase and use for future events. Tom and Gary have wood for demo lathes. There will be a raffle each hour to give attendees a chance to win throughout the day and a grand prize of one hour class with Tom Hasting. The club will reimburse Tom for this cost. Tickets will be \$1 each or 6 for \$5. Jerry and Jason will be in charge of the raffle. Tom could use help on Thurs/Friday on setup otherwise anyone helping on Saturday should show up at 8:30.
