

OREGON COAST WOODTURNERS

MINUTES OF THE JUNE 15TH MEETING

AT SOUTH BEACH

Dennis Van Loo called the meeting to order with about 15 members present. He announced that there will be no Tillamook meeting in July and August 2019.

TREASURER'S REPORT

Dave Maguire had reported a bank balance of \$4,222.76.

OLD BUSINESS

Tom Hasting has mentioned the possibility of arranging club demonstrations by a couple of celebrated turners. He has received a commitment from Jimmy Clewes who will do a demonstration and classes on April 18, 19 and 20, 2020 here at South Beach. The club will cover a portion of the cost with members also paying a share. More details will be forthcoming.

There is also a chance Michael Holasuk might do a demonstration in the future. Stay tuned.

NEW BUSINESS

We are taking orders for club name tags. They are magnetic and will greatly increase your prestige. They will cost in the neighborhood of eight bucks. Let Paul know by our July 20th meeting.

PRIZE IN A BAG

Wayne Christian won the prize in a bag, a very nice business card holder.

PRESIDENT'S CHALLENGE

There were three lamp base entries for the challenge. Wayne Christian had a lamp of stacked, turned segments. Troy Ness turned his lamp with dedication the night before the meeting. It was a black locust body with a base of Baltic birch. Lynn Lockwood won the prize, a tall table lamp with pleasing vertical segments.

The July challenge is a bowl – minimum size six inches.

SHOW AND TELL

Keith Strauss had a bowl and plate, several bracelets and a unique piece made of wine corks and solid base about the size of a cup without a handle. Very innovative. Gary Mier brought a 10”bowl with outside corrugations and a nice pinkish hue. Lynn Lockwood made a circular end-grain cutting board with triangular segments. He had a similar lazy Susan. Nice work everyone.

IMPORTANT DATES

- Our regular South Beach meeting will be on July 20th. The challenge will be a bowl 6 inches or larger.
