

OREGON COAST WOODTURNERS

MINUTES OF THE JULY 20TH 2019

MEETING AT SOUTH BEACH

Tom Hasting opened the meeting with 17 members present and no guests.

TREASURER'S REPORT

Dave Maguire reported a bank balance of 4,277.76. We have 42 paid members.

OLD BUSINESS

None.

NEW BUSINESS

Tom has lined-up two very popular turners for 2020. They will do demonstrations and workshops. The club will pick up a significant portion of the cost and members will be charged a nominal fee. More information will come as details are finalized.

- Michael Holasuk from Canada will be at South Beach during the weekend of March 21st 2020
- Jimmy Clews from Las Vegas will be at South Beach during the weekend of April 20th 2020

PRIZE IN A BAG

Paul R. won the prize, a very nice acrylic pen turned by Wayne Christian. Thanks Wayne. My wife is permanently attached to it.

PRESIDENT'S CHALLENGE

There were 9 entries. The winner was a 3" canarywood bowl by Troy Ness. Some of the entries included a triangular turned bowl from Tom Hasting. Troy Ness also brought a 4" bowl and a smaller bowl, both from rosewood. Dave Maguire had a 1.5" olive bowl. If I missed some other items, my apologies.

SHOW AND TELL

Gary Meier had a very impressive 18” maple burl platter with a feature colored with malachite and a small apple bowl. Alan Leach brought a shallow 10” maple bowl with a CA finish. Lynn Lockwood turned two segmented walking sticks and a black locust natural-edged bowl. Troy Ness had a E. Indian rosewood and a canarywood bowl. Dave Maguire brought a 3” red elm bowl. And Russ Williams turned a small natural-edged bowl. Keith Strauss gets my amusement for a turned ray gun. Our displays of members work is a highlight of our meetings. Thanks to all.

DEMONSTRATION

Dave Maguire came forth with another very interesting and well organized demonstration on spindle turning. He covered tools and tool handling, turning technique and safety. Thanks Dave.

IMPORTANT DATES

- I have previously forwarded information about the August 17th picnic at 5744 Yachats River Rd., Yachats. It will begin about noon and be a smashing good time. Jerry and Melanie Kimmel have hosted this event for quite a few years for all club members. Thanks to the Kimmels and don't miss the good time.
- Our next monthly South Beach meeting will be Sept. 21st. The challenge is a spindle turning. The demo for this meeting will be presented by Steve Woods on doing segmented turning.

Paul Reed, Secretary & Photos

Show and tell items

Mostly President's challenge items.

No extra charge for these.

Lynn Lockwood & segmented canes.

Show and Tell items.
