Old Business: There is a box at Tom's shop for donations to the hospital gift shop. smaller diameter bowls and turned objects preferred.

Posting videos on the club web site, Keith found we are limited to 100 MB in file size uploads. Since most recorded meeting videos are over that size it does not seem feasible to post videos. Members that miss meetings and wish to see the video need to contact Tom so see if he can make them available on a flash drive.

New Business: The board will make a decision by the 1st of May whether we have in person meetings and demos.

April club meeting will start at 9:30 so Mike Mahoney can be finished by noon. Gary will coordinate the start time with Mike.

Oregon Symposium, discussions are still in progress to see if one will be held in 2023.

Meeting Adjourned at 3:00 PM
