

Oregon Coast Woodturners Meeting
May 21st 2022

Nine members met at Tom's Costal Woodworks shop in Newport at 10 AM for our first Hybrid meeting. Before Tom could start the zoom / in person meeting, a massive power outage affected the whole Newport area. We forged ahead with show and tell and a wood raffle which raised \$27 for the club. The wood for the raffle was donated by members as and acquired with a lathe that was purchased last year.
